Directions: Each day, record your minutes of moderate/vigorous activity (and include minutes of strengthening exercis-
es). Give yourself a (check) if you did strengthening exercises that day. Record cups of fruit/vegetables you eat and glass-
es or ounces of water you drink (this is optional). Every Sunday, report your weekly total of exercise minutes and cups of

Reminder: You must do the activity for 10 consecutive minutes for it to count toward Walk Kansas. If you wear a activity tracker to count steps, you may start counting after you reach 6,000 that day. Report 15 minutes for each 2,000 steps (above the 6,000.)
