Rolling Prairie Extension District Director & Elk County 4-H &  
Agriculture and Natural Resources

Sub: 2026 FairEntry Information for All Projects

Dear 4-H and FFA Families:

New this year for the Elk County 4-H Fair, we are transitioning to the FairEntry online fair management system. All entries will be made online and will still require pre-entry like in the past. However, a few things have changed, but nothing major.

Members and families will complete pre-entries at

<http://elkkscountyfair.fairentry.com>

- Pre-entries will open on Monday, June 15.
- Pre-entries will close on Monday, July 6 at 11:59 p.m. **NO LATE ENTRIES WILL BE ACCEPTED!**
- 4-H members will SIGN IN with your 4-H Online Account.
- FFA members must create a new account separate from 4-H Online
- If you're a 4-H'er and are not enrolled in a project, you will not be able enter in that project in the fair.
- Make sure you make an entry for all your projects and items you think you will bring to the fair. For example, if you are going to bring 2 color photos, make 2 entries for color photos.

Fairbooks for families are available at the Extension Office or can be printed from the Rolling Prairie website at:

<https://www.rollingprairie.k-state.edu/elkcounty4h/fair/>

**Livestock Exhibitors:** If you tagged an animal, you are required to enter their tag number and beginning weight from spring weigh ins. This needs to be done for the Beef, Sheep, Swine, and Meat Goat species. **THIS MUST BE DONE in FAIRENTRY beginning May 22 and completed by June 12.** I cannot do this for members, as the system will not allow the Extension Office to do so, it must come from the families, but I can make changes or amend these after you make

them. ***(More information will be sent to livestock exhibitors about this and specific directions in a separate email.)***

**Fashion Revue Entries:** When making Fashion Revue entries one of the required pieces of information to be made is completing a script and the cost per wear form.

Included in the email is a help sheet about FairEntry. Please refer to the Fairbook for class #'s, rules and other information. Also, there are videos and help documents on the Rolling Prairie - Elk County 4-H - County Fair website at: <https://www.rollingprairie.k-state.edu/elkcounty4h/fair/>

This is a totally new process this year. It will be a learning experience for everyone, including myself. If you have any questions, please ask!! We will all be learning together. If you want to come to the Extension Office to input your animals and eventually your fair entries, call us and set up a time to do so.
