Elk County
4-H Club Seal Application and Summary Report

Purpose of Seal Guidelines

The Kansas 4-H Program focuses upon five life skills necessary for youth to acquire in order to become productive citizens. These “life skills” are A Positive Self Concept, An Inquiring Mind, Sound Decision Making, Healthy Interpersonal Skills, and a Concern for the Community.

The purpose of the following guidelines is to stimulate the growth of individual 4-H’ers as well as the entire club in each of the “life skills” areas. Each of these guidelines relate back to one or more of the “life skills.”

A seal is awarded to a 4-H Club each year the requirements for the seal are met. A club may get a seal and a charter together. A club may try for any seal without regard to seals previously received.

As a requirement is met, place a check or “X” in the space provided and give the information requested. A continual check on the guidelines is needed to avoid missing something that your club has set as a goal.

Use the club officers or a committee of 4-H members to assist you in checking the requirements during the year and to fill out this “4-H Club Summary Report” at the close of the club year. Forms are due to the Extension Office on or before September 21, 2022.

Activities or events are for the period of October 1, 2021 - September 30, 2022.
