Rolling Prairie District 4-H Field Crops Record

Year ________________

Name ______________________________________________   Age (Jan 1) _____   Yrs in Project _____

County _______________________________ Club __________________________________________

Field and Crop Information

Kind of Crop: _____________________________ Variety/Hybrid: __________________________________

Number of Acres: _________ What crop was grown on field last year? __________________________

Kind of Soil (upland or bottom): _________________ Soil Type: ________________________________

Has field been limed? __________ Year: ______________ Rate per acre: _______________________

Pounds of Nutrients applied last year:  N ___________ P₂O₅ ___________ K₂O _____________

Pounds of Nutrients applied this year:  N ___________ P₂O₅ ___________ K₂O _____________

Date planted ___________________ Seeding Rate per acre ____________________ Was seed treated? _________

Stand secured (good, medium, poor) ____________________ Was replanting necessary? _________________

Herbicide(s) Used and rate(s) applied per acre? ___________________________________________________

__________________________________________________________________________________________

__________________________________________________________________________________________

What diseases and insects affected your crop?

__________________________________________________________________________________________

__________________________________________________________________________________________

What did you do for these diseases or insects?

__________________________________________________________________________________________

__________________________________________________________________________________________

Harvest Date: _______________________________ Yield Per Acre: ________________________________
Financial Summary

Income
Line 1: Income from sale of grain (or value used for feed) $ __________________
Line 2: Other income $ __________________
Line 3: Total income (add lines line 1 & 2) $ __________________

Expenses
Line 4: Seed cost $ __________________
Line 5: Fertilizer cost $ __________________
Line 6: Herbicides cost $ __________________
Line 7: Lime cost $ __________________
Line 8: Other expenses $ __________________

Line 9: Total expenses (add lines 4, 5, 6, 7, & 8) $ ____________________

Total
Line 10: Profit or loss (line 3 minus line 9) $ ____________________

Learning Activities in this Project (indicate number of times participated)
