**Premium Sale Requirements**

A new 4-H year means that it is time to start thinking about the fair. It is required that youth wishing to sell animals in the Premium Sale at the fair next summer complete at least three educational events or livestock activities between August 1, 2018 and weigh-in at the fair. These may be Rolling Prairie livestock events, out of district spring shows and/or livestock judging contests, and other events. If you are not sure if an event will count ask Jenny prior to attending to get verification. Also, it is your responsibility to notify the office what events you attended and/or participated in order to receive credit for them. Local club events or project meetings are not the only activities that were meant to count toward the requirement. We want you to attend both in and out of district events for the requirement.

**KAP Screening**

The Kansas Award Portfolio (KAP) is used to select area and state project winners. To be eligible for area award selection, 4-H members must have passed their 14th birthday, but not their 19th birthday as of January 1, 2019. If you want KAP forms to complete for these projects, they are available at the Extension Office. Also, I have information about completing the KAP and a copy of the scorecard that is used in the judging available for your use. Completed KAP’s are due in the Extension Office January 4. If you would like help in completing the KAP, please let me know, I will be glad to assist you in any way. Do not wait until the last minute to do these. In order to do a good job on the KAP’s, you need to spend some time on them and not try to do them the day they are due.

**Volunteer Screening Process**

August 1, 2014, Kansas 4-H implemented an updated volunteer screening policy for 4-H volunteers who work with youth or provide leadership to 4-H programs in public settings. Moving forward, all volunteers (in positions requiring screening) must be screened under the new process. Any steps completed under the old process will still be valid with the exception of the background screening which must be completed using the new process. An interview will now be required as specified in the new process.

Resources to support the new process are posted at [http://www.kansas4-h.org/p.aspx?tabid=603](http://www.kansas4-h.org/p.aspx?tabid=603). Resources are also available at the extension offices.

**Volunteer Screening Checklist**

- Kansas 4-H Volunteer Service Application complete, signed and dated
- Interview complete
- Kansas Child Abuse and Neglect Registry Information and Permission form filled out and mailed to Department for Children and Families
- Background check
- Orientation session completed
- File reviewed
- Name submitted to Local Extension Unit Board for Appointment
