Chautauqua County 4-H Update

4-H Calendar

June
1 Horse ID’s Due
7-9 Discovery Days—Manhattan
4-7/14 4-H Camp—Rock Springs
14 4-H Council
15 State Nominations Due for Commercial Heifer, Market Hogs, Lambs and Meat Goats
16 SE Area Ag Contests—Yates Center
27 SE Area 4-H Youth Challenge Day—Emporia
21-24 KSU Animal Science Leadership Academy

August
9 4-H Council
13-19 Interstate Fair and Rodeo at Coffeyville
15 KJLS Entries Due
19-20 State 4-H Livestock Sweepstakes

We Are 4-H
Then. Now, & Forever
State Livestock Nomination
Due for Commercial Heifer &
Small Livestock

Animals eligible for KJLS or KSF will need an EID ear tag placed in the ear of the animal. For ALL species, DNA hair samples are required for each nominated animal. Nomination dates have past for Market Beef, but June 15th is the deadline for Market Hogs, Commercial Gilts, Market Sheep, Commercial Ewes, Commercial Heifers, and ALL meat goats. You can order the DNA envelopes and pay the nomination fee through ShoWorks. If you need help, contact your local Extension Office.

Premium Sale Requirements

It is that time of year to start thinking about the fair. It is required that youth wishing to sell animals in the Premium Sale at the fair next summer complete: 1) at least three educational events or livestock activities between August 1, 2023 and weigh-in at the fair and 2) participate in a Fairgrounds Clean-Up activity (June 29, July 20, or Gregg Theater-July 20).

The educational events should pertain to the 4 species that are eligible for the premium sale.

Educational events may include

- Rolling Prairie livestock project meeting
- Club Tour
- Exhibit in a spring show
- Livestock judging contest
- YQCA program online or face-to-face
- Present a market livestock presentation at Club Day
- Participate in a livestock educational tour or event
- Write a story about your livestock project
- Do a Financial Analysis of your livestock project with a loan officer at a lending institution.

If you are not sure if an event will count ask Jenny prior to attending to get verification. Also, it is your responsibility to notify the office what events you attended and/or participated in order to receive credit for them. Local club events or project meetings are not the only activities that were meant to count toward the requirement. We want you to attend both in and out of district events for the requirements.

To sell in the premium sale, animals must be of a packer acceptable weight based on the scales at the fair. Animals may go across the scales two times, if under weight. Underweight animals maybe fed & watered under supervision but must reweigh in the time allotted. No drenching of animals. Superintendent has overall say in ethical treatment of animals. The minimum weight for each species is:

- Steers 1,050 pounds (8a-9a)
- Pigs 210 pounds (9a-10a)
- Lambs 90 pounds (10a-11a)
- Goats/Hair Sheep 50 pounds (10a-11a)
The next 4-H Council meeting will be held at the Sedan Courthouse on June 12th at 7:00p.m.

Horse IDs
Due: June 1, 2024

State Nominations Due
Small Livestock—June 15, 2024
Commercial Heifer—June 15, 2024

Horse Safety Webinar
As part of the qualification requirements for the Kansas State Fair 4-H Horse Show, members must complete the Horse Safety Webinar and pass the quiz. All webinars are available at the K-State 4-H Youth Development Horse Page. They must both be completed prior to the entry deadline (August 1, 2024).

YQCA Training must be completed by June 15th for the Kansas State Fair & KJLS.
2024 Southeast Region 4-H Youth Challenge Day
Tuesday, June 25, Emporia Kansas – Registration: 9:30 a.m.

Judging Contests
Crops, Photography, Family & Consumer Science and Horticulture
(open to all ages 9-18 before Jan 1)

Favorite Foods Show
(for local SE Ext. Unit Winners)

Location: Anderson Building on Lyon County Fairgrounds, behind the Lyon County Extension Office, located at 2632 W US Hwy 50, Emporia, KS 66801.

9:30 a.m. Registration for Horticulture, Crops, FCS and Photo Contests

Lakyn Sutton, Junior  
Lexi Williams, Junior

---

**Superintendent responsibilities are as listed below.**  
Junior superintendents work your adult superintendents or Jenny to figure out where they need you and what you are supposed to be doing.

### Superintendent Responsibilities (Livestock)
- Gather ribbons and plaques before show  
- Help with weigh in  
- Break classes  
- Line up each class  
- Serve as ring help  
- Announce show  
- Handout ribbons  
- Record results  
- Return results to extension staff

### Superintendents Responsibilities (Non-Livestock)
- Make sure you have paper, pencil, ribbons, and superintendent’s book  
- Take entries  
- Put entries on table by entry number  
- Assist the judge during judging  
- Write down placing’s in superintendent’s book  
- Distribute ribbons  
- Display items according to category  
- Return superintendent’s book to extension staff  
- Make sure exhibits are not disturbed  
- Assist with release of items
The Importance of Weighing Your Feed

You’ve probably heard it a time or two, but doing the simple things right is the fastest way to reach your goal. A lot of decisions go into what you are going to feed your show animals. So, when you dump that bucket of feed into the pan or trough morning and night, you want to make sure your animals are getting exactly the right amount.

One of the best investments you can make for your barn or feed room is a simple fishing scale or postal scale. This allows you to weigh each bucket and measure out the correct amount of feed. The reason why we encourage people to stay away from the coffee can or feed scoop method is:

1. Your coffee can or feed scoop might not be the same size as your friends’. When you are consulting back with the breeder of your animal, and you tell him or her you are feeding a scoop of this or two scoops of that, that isn’t giving an accurate picture of what you are feeding.

2. Different grains and supplements weigh different amounts even though the volume might be the same. For example, a scoop of oats vs. a scoop of corn vs. a scoop of cottonseed hulls will be very different weights.

Weighing your feed every day also keeps you consistent. It is easy for you to start to eyeball what you think 15 lbs. looks like, then realize you have only been feeding 13 or 14 lbs. once you weigh your bucket. By taking the extra step to weigh your feed, you’ll ensure your show animals are on the right track for success. (From Sure Champ Blog 1-11-17)

Fairgrounds Clean-Up Days

4-H Fairgrounds Clean Up Days are super important because they help us take care of our environment, show responsibility, and make our community a better place. When we clean up our fairgrounds, we’re not just picking up trash; we’re also making our home safer and nicer for everyone. By working together, we show that we care about where we live and that we’re proud members of our community—and proud members of 4-H. So, keep up the great work, 4-H’ers! Your efforts make a big difference!

Not only that, participation is a Premium Sale requirement. Below are the dates for our Clean-Up Days. All areas are important for us to have a fantastic, fun county fair!

- June 29: Fairgrounds Clean Up, 8:00 am
- July 20: Gregg Theater Clean Up, 1:00 pm (for Public Fashion Revue)
- July 20: Fairgrounds Clean Up, 5:00 pm
Kansas State Fair 4-H Horse Show Qualifying Information Checklist
Submitted by Kelsey Nordyke

In order to exhibit at the Kansas State Fair 4-H Horse Show, a 4-H Horse Project member must complete the following:

- Have a horse properly ID'ed with a 4-H Horse ID or Horse Registration Certificate by June 1, 2024.
- Participate in a horse show in the event category that they wish to exhibit at the Kansas State 4-H Horse Show.
- Complete the 4-H Horse Safety Webinar and receive a passing score of at least 75% on the Horse Safety Quiz.
- Complete the online 4-H Horse Show entry via ShoWorks at https://www.kansasstatefair.com/p/competitions/equine by August 1. The 4-H Horse Safety Webinar and Quiz are now available at https://bit.ly/3zbn5XC.

As members begin preparing for the State 4-H Horse Show, they are encouraged to review their readiness with "Are You Ready?" at https://bit.ly/horseready. The Kansas State 4-H Horse Show is an advanced level event. For the safety of our 4-H members and volunteers, it is important that participants are able to master the appropriate skills.

“Fair Entry” Information
Coming Soon

This will be our second year of implementing the Fair Entry program to enter your CQ County Fair projects. This program works with 4-H Online to simplify the process of entering your projects. We will be posting updates on Facebook in mid-June with more details.

CQ County Fair 4-H Entry Information

In the meantime, our 2024 Chautauqua County Fair 4-H Entry Information book will be posted online at the same time as this newsletter. There are a lot of changes, just take your time to make sure your projects are entered correctly and you don’t miss a thing with our new revised schedule!
Marketing 4-H Livestock

For the last several years 4-H members have been tasked with finding buyers for their livestock after the fair. The premium sale committee and the extension office do not provide base prices or a base bid truck you can put your animal on. So you are left with two options if you are done showing those animals after county fair.

First you can sell at a local auction or sale barn.
Steps to sell through a local livestock auction house/sale barn:

1. Locate a public livestock sale barn near you.
2. Find out which day(s) they are hosting sales for your species of livestock.
3. Contact sale barn to learn details of:
   a. When livestock can be dropped off
   b. Information you can list on consigning forms which could increase livestock value
   c. Commission fees
   d. Transport animals to sale and collect proceeds after.

Second you could sell directly to consumers.
Steps to sell through private treaty:

1. Find a processor and book a harvest date:
   a. Do this as early as possible (spring time or earlier)
   b. Ask your County Extension offices if the have suggestions of local processors.
   c. Questions to ask of processors:
      ◦ When will the animal need to be there/ How long will they be there before slaughter?
      ◦ What is the processing and slaughter fee?
      ◦ Ask if you can have a copy of the cut sheet to give to your buyer.
2. Find a buyer:
   a. Make a list of potential buyers: Personal friends/relatives, past buyers, companies where
      you and your parents do business. (Ex: Uncle, neighbor, vet, Dr., dentist, hardware store)
   b. Make contact: Write a letter, create a flyer, schedule a meeting in person, social media
      with parent’s help, dress to impress.

3. Convince a buyer:
   Sell yourself and why your animals are better -
   ◦ Members select high quality animals for their project and maintain that quality until
   ◦ it reaches the finished product.
   ◦ Members are required to complete quality assurance training.
   ◦ Buyers will have control of how their meat is processed, cut, and wrapped.
   ◦ Buyers have the opportunity to know the person who raised the animal, where it
     specifically came from, and that it was grown locally.

4. Educate your buyer:
   ◦ Inform your buyer you have a processor and harvest date scheduled. If they wish to use
     a different processor, cancel your date asap and establish who will transport animal to
     their processor of choice.
   ◦ Direct your buyer to the processor to be used to find cut sheets (how seller indicates
     preference for meat preparation).
   ◦ Educate your buyer on dressing percentages/carcass cutting yields so they know how
     much meat to expect to take home.

5. Set your private treaty price:
Selling your animal private treaty means you set the price for your animal. You need to make sure to calculate a fair price for your buyer while also making sure you allow a profit margin for yourself. Now remember, many 4-H show animals cost much more than market value when you first purchase them, so your focus is to price your animal's meat properly, not their show value.
Southeast Area
LIVESTOCK CONTEST
June 27, 2024

Held at Allen County Fairgrounds at Riverside Park, Iola, KS. Open to all 4-H members. Registration will be at the Community Building - cost $10.00 per contestant paid at check in. There will be a lunch served. To pre-register click HERE - coaches, agents, or individuals can sign up. Sign up as a team or individual.

1. Livestock Judging
   Registration from 8:30-9:30 AM
   Contest starts at 10:00 AM

2. Meats Judging
   Registration at 7:30 AM
   Contest starts at 8:00 AM

3. Livestock Skillathon
   8:00 AM - 10:00 AM - Come and participate at your leisure.

K-STATE
Research and Extension

K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services and activities. Program information may be available in languages other than English. K-State Research and Extension is an equal opportunity provider and employer.
Mallary Darnall is in the 4-H Spotlight this month. She has been a member of the Prairie Pride 4-H Club for 8 years. Some things Mallory enjoys about 4-H is working with her show animals, especially her beef projects, and having a blast at the Chautauqua County Fair each year.

Mallory is currently a Junior at Sedan High School. Besides being the 2023-2024 4-H Council President, Mallory has also been active in FFA by earning the STAR Discovery Award and the Greenhand Degree for the past 2 years.

There are always times when you just want to give up and you can’t seem to get motivated to do what needs to be done. Mallory offers this advice for those difficult times, “Even when you have no motivation, always remember to keep your head high and keep fighting for your goals.”

**Engineering & Technology Project Exploration Camp**

During the first two weeks of June, we will be expanding our knowledge of Engineering and Technology projects. Each day we will dive a little deeper into different project areas. There will be hands on learning experiences. Each session will go from noon to 4pm. All the sessions will be at the Sedan Fairgrounds except Session 3 which will be at the Sedan Ag Room. Sign Up by May 31st. You can attend all the sessions or pick and choose what you want to attend. You do not have to be enrolled in the Engineering and Technology projects to participate.

Cost is $5 per session and will include materials and snacks.

- **Session 1** – June 4th – 4-H Building – Rocketry & Architectural Block Design
- **Session 2** – June 6th – 4-H Building – Electricity & Robotics
- **Session 3** – June 11th – Sedan Vo-Ag Room – Electricity, Unmanned Aerial System & Welding
- **Session 4** – June 13th – 4-H Building – Rocketry & Robotics

**Rock Springs 4-H Camp**

Registration for 4-H Camp at Rock Springs is now open for 2024. For more information about summer camp, visit https://www.rockspringsranch4hcamp.org/

**Mallary Darnall**
